total 5
2025-08 → now          M.Sc. in Secure and Reliable Communications @ University in Bergen
                       # Writing a master's thesis on post-quantum cryptography (PQC). Developed
                         innovative solutions to ABB cases in RealBoost (two years), took part in the
                         global student broadcast OnAir 2025 with Vizrt, and developed a busines idea
                         at Bedrifttimulator at StartUpLab and Studio8 VIS.
2022-08 → 2025-10      B.Sc. in Cyber Security @ University in Bergen
                       # Completed an externship in the IT department at Skyss. Competed in the
                         Sustainathon, delivering a solution for UiB that maps emissions and costs of
                         equipment and supplies, and what can be reused.
2018-08 → 2022-06      BC in Japanese @ University in Bergen
                       # Led the Japanese student council and helped Russian students set up their
                         own council from scratch. Student representative on the Department Council
                         for Foreign Languages and on the hiring committee for a new Japanese
                         lecturer, organised hosting and joint activities for TUMSAT students (2019–
                         20), and won 3rd place in a speech contest (2019).
2021-04 → 2022-02     Keio International Program @ Keio University, Tokyo
                       # Exchange year studying business, Japanese politics and culture. Collaborated
                         in multicultural project teams.
2015-08 → 2018-06      General Studies, Science @ Amalie Skram VGS
                       # Planned and ran sales and fundraising campaigns to finance my class's study
                         trip to Fukuyama, Japan.
```

```
othilie@uib:~/cv$ tail -n 20 ~/experience.log
```

```
2026-07 → now          Mentor Coordinator @ University in Bergen
                       # Plan and run meetings and training for mentors, and follow up that their
                         tasks are completed. Analyse statistics and surveys to improve the mentor
                         programme and the welcome week.
2024-11 → now          Technician @ University in Bergen
                       # Provide first-line support on software and AV equipment to staff and
                         students, including during lectures and presentations. Serve on the
                         committee reviewing and developing the role, and have received positive
                         feedback from faculty and staff.
2023-10 → now          Logistics Clerk @ Posten Bring AS
                       # Register and sort parcels in a fast-paced environment. Given responsibility
                         for business parcels due to my efficiency and accuracy
```

2023-08 → 2026-10 **Ambassador** @ University in Bergen
Plan, produce and publish content for the faculty, including interviews with students, staff and companies, and helped create the science recruitment campaign at UiB. Recruit pupils at upper secondary schools, and took part in RealUtfordring with a packaging solution for Q-meieriene that could cut plastic use by several hundred tonnes a year.

2022-09 → now **Leader (2023–) · PR Lead (2022–24)** @ HeltSikker (volunteer)
Lead the organisation and coordinate the team, including projects in penetration testing, CTF and events. Act as the contact person for companies and partners, recruit board members and communicate cyber security to students.

2023-03 → 2024-01 **Local Chapter Leader (2023–24) · Ambassador** @ Naturviterne, UiB
Coordinated the chapter's ambassadors and was responsible for events and social media. Recruited members at stands and represented UiB at the national assembly in 2023.

2022-05 → 2022-08 **Sales Assistant** @ Fish Me AS
Sales, product display, barista and bartending work and food preparation in a busy, multicultural environment with English as the working language.

2020-11 → 2022-06 **Private Tutor** @ freelance
Helped Japanese children learn Norwegian and supported them in primary-school subjects suited to their grade.

2021-06 → 2021-08 **Course Leader** @ University in Bergen
Developed and taught a Japanese refresher course after the summer break, together with a fellow student.

2019-12 → 2020-03 **Waitress** @ Roxy's Diner & Bar
Service and customer care in a busy, multicultural environment with English as the working language. As the only Norwegian speaker, I handled customers in both Norwegian and English.

2012-08 → 2019-12 **Instructor** @ Bjørgvin Karateklubb
Planned semesters and classes for children and adults at different levels towards gradings, and taught the classes. Assisted with sales and administration at gradings and competitions, including as judges' assistant at the 2019 European Championships.

othilie@uib:~/cv$ history | grep volunteer

2025-10 **Administrative Assistant** @ NRK TV-aksjonen 2025
Assisted the area manager with route allocation, receiving fundraisers, delegating tasks and tracking progress data.

2024-08 → 2025-09 **MSc Student Responsible** @ Freshers' Week Board, Sci. & Tech. 2025
Ensured the programme offered activities for master's students as well as new students.

2023-10 → 2024-08 **Event Manager** @ Freshers' Week Board, Sci. & Tech. 2024
Sole responsibility for the scavenger hunt: secured external partners, and planned the route and activities in line with the agreements.

2022-06 → 2023-05 **SNS Team Member** @ VoiceUpJapan (remote)
Produced social media content in a multicultural team with English as the working language.

2022-06 **Student Volunteer** @ Holberg Prize
Promotion, hosting international guests, crowd management and logistics during Holberg Week: 13 events, including the award ceremony in the University Aula.

2021-05 **Technical Assistant** @ Nordiske Mediedager
Lighting, sound, stage changes and crowd management.

Other volunteering:
UCI Road World Championships 2017 (course marshal), HordaLAN (care crew 2016–18, kiosk 2019), Bergen Pride 2019 (welfare lead), Bergen Beer Festival 2019 (rigging).
